## Employment History

---

### **BuzzCutz Landscaping**

Landscaper

Depew, New York

June 2010 – September 2011, April 2017 - Present

Provided landscaping services to clients all over Western New York. With multiple job sites, multiple clients expect satisfactory work on a weekly basis to which those expectations are both met and surpassed. Landscaping services included weekly mowing, weeding, bush maintenance, and on demand tasks such as mulching.

- Provided exceptional services on a weekly basis to multiple clients.

### **Marco Promotional Management**

Production & Picker/Packer

Williamsville, New York

July 2014 – April 2017

As Production: worked with a team on an assembly line repackaging products and stacking them on a pallet to be stored in the warehouse for later use.

As Picking/Packing: received multiple orders daily that called for product stored within the warehouse. Product would be picked and packaged/stacked on a pallet and readied to be shipped. Worked with product inventory via receiving and processing orders.

- Worked as a Team Lead while on Production. Responsibilities include filling out proper paper work and leadership over a team of 2-4.
- Worked with shipping programs that called for accurate information and knowledge of shipping rates.
- Maintained warehouse inventory while new and old product was consistently coming and going.

**McDonald's**  
Crew Member

Depew, New York  
April 2012 – January 2015

Delivered exceptional service by greeting and serving customers in a timely, friendly manner. Performed closing duties such as restocking and cleaning/maintenance. Exercised both accuracy and speed while working in the grill and delivering food to customers.

- Delivered extraordinary customer service through communication and professionalism.
- Maintained professionalism and positive attitude throughout all stressful situations.

## Education

---
